

WARNING

blue green algae can be fatal to pets

Please exercise caution and do not allow your dogs to swim in ponds that are cordoned off.

Blue-green algae blooms can look like foam, scum, mats, or paint on the surface of the water. Keep your dog away from it!

Symptoms include:

- ✓ Diarrhoea
- ✓ Vomiting
- ✓ Drooling
- ✓ Difficulty breathing
- ✓ Disorientation or confusion
- ✓ Convulsing or having seizures

If you have questions or concerns, call us.
